Southland Symphony Orchestra Sponsorship Opportunities

We invite you to help us fulfill our mission by becoming a sponsor at any level.

" Our purpose is to enrich our community by engaging audiences and inspiring a love of music through exciting live symphony performances, innovative programming, and educational outreach."

We offer opportunities for the community to experience the very best in music, "right in their own back-yards." No long drives to downtown Los Angeles, no expensive parking. Arts and music for our community, in our community.

In addition to the gift of public performances, the symphony provides the opportunity for musicians from all walks of life to actively participate in the orchestra by performing with us. Our orchestra members include young students, retired senior citizens, young professional musicians, and amateur musicians who are able to enrich their life by being a part of the orchestra -they are able to improve their ability by playing alongside professional musicians. "Music-making" is known to enrich children's minds, enhance their learning abilities, and to help keep adults minds "alive". Elderly people have been found to live longer, and even increase and extend mental awareness by participation and exposure to music.

The symphony audience is a sophisticated consumer group found at the top of regional demographic statistics. Corporate sponsorship provides key exposure to this demographic group in a variety of ways: advertising; press releases; on-site recognition; displays and other promotional opportunities including all of our musical ensembles.

As a business sponsor, your company benefits from high visibility. Hundreds of people are able to attend each of our concert performances, and thousands more have access through our YouTube channel, and even more opportunities will be available as we expand our offerings to include educational concerts in the area. Your company name and logo will be placed in every Season and major event brochure, giving your business the exposure, recognition and prestige it deserves.

Specific sponsorship levels are listed below, but we are flexible - feel free to contact us for a customized proposal.

To submit art for ads or web listings, submit a 300dpi or better file to ads@southlandssymphony.com Dropbox or similar links are fine.
